MONTHLY REPORT – SEPTEMBER 2025

EVENTS	PICTURES
Academics On 8th September school re-opened after Onam Vacation. Term 1 examination was conducted for all the classes from 17th September to 29th September	
On 10st September, we celebrated Teachers' day as 5th September was a holiday in the Ruby Jubilee hall at 3:30 pm. Grade 12 honoured all the teachers in the assembly. Mrs Holy George, Retired Principal of Kendriya Vidyalaya was the Chief Guest. The Chief Guest spoke to the teachers regarding the importance of their role. Mrs Reshmi Rajan was awarded the best teacher award, Cultural Programmes were performed by the teachers. Our school participated online in Psych-Ed 2025, the largest psychology quiz for schools conducted by the Fortis National Mental Health Program. Our school was declared the state winner for the Kerala region. The participants were Amritesh Shibu, Ann Mary Leo, and Joseph Kurian. A total of 900 schools from 190 cities participated.	
VISIT TO GOONJ On 10th September 2025, a visit to Goonj, a renowned recycling and social initiative, was organized for 20 students of the school. The programme offered valuable insights into the organization's mission, history, and its role in community development, education, health, and disaster relief. Students observed how donated materials are creatively transformed into useful and eco-friendly products such as cotton sanitary pads, files, and scrunchies. The experience highlighted the importance of sustainability and social responsibility, inspiring students to contribute actively to environmental and community welfare.	

On 11th September, Dr. Smitha Joy, HOD of Obstetrics & Gynaecology at Lakeshore Hospital, conducted a session on the topic “Menstrual Hygiene” for the girl students of classes 6,7,8 & 9 from 9:00 am to 10:30 am. The session was sponsored by the Rotary Club of Kochi Mahanagar.

S

CAREER GUIDANCE SESSION

A career guidance seminar on Design and Architecture was conducted in the school auditorium on Friday, 12th September 2025. The session was led by Ms. Julie James, Academic Director at afdindia with over 25 years of experience in design education, and Ms. Abhirami Krishnan, an Art Curator and Space Designer. The resource persons introduced students to the wide scope of careers in design and architecture while also mentoring them on preparation for top institutions. Students enthusiastically took part in a creative activity using circles and engaged in an interactive Q\&A session about courses and career opportunities. The seminar proved to be highly insightful and inspiring for all participants.

SS

On 13th September was a special working day for all the teachers on account of the PTA General Body Meeting, It was conducted in the Ruby Jubilee Hall. 152 parents participated.

On 15th September, Eco club organized a Nature Photography competition as part of the Ozone day International Ozone day was celebrated at SBOA by conducting a nature photography competition. The students were asked to take any exciting nature clicks from the campus.

Students had a first hand experience in wetland ecosystem and the rich biodiversity in that area

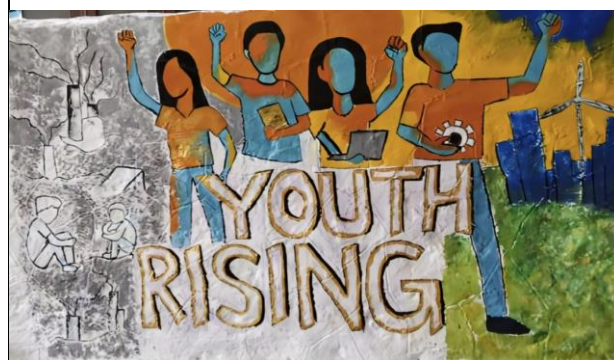

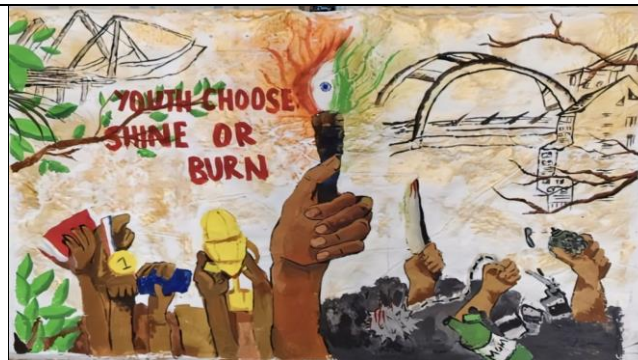

Eminent environmentalist Mr Manoj Edavanakad led the drive and introduced students to wetland ecosysteme campus', 35 students participated.

Raised bed made with organic waste to make vegetable garden.

SPECIAL EVENTS

On 15th September, In connection with Viksit Bharat 2047 move, the SBIOA Educational Trust conducted Essay Writing and Graffiti competition (wall painting) on the topic ‘YOUTH POWER – SHAPING A DEVELOPED NATION’ The four house members participated for the same.

FOOTBALL TRAINING SESSION BY MUTHOOT ACADEMY

A football training session was conducted in the school on 16th September 2025 to nurture young talent and promote interest in the sport. The programme focused on introducing the basics of football through engaging activities. Students of Classes IV and V participated with great enthusiasm, learning fundamental skills and techniques. The session proved to be both fun and educational, encouraging students to develop teamwork and a passion for the game.

SESSION ON GAMIFICATION

On 18th Sept 2025, a session was held by Mr. Vivek Cyril Joseph, Senior Product Manager, for the teachers of our school on the theme of Gamification. The teachers were divided into groups and engaged in a series of interactive activities that showcased the practical use of game elements in teaching. The session highlighted how Gamification can enhance student motivation and learning outcomes. Its hands-on approach allowed teachers to experience the effectiveness of these strategies firsthand.

Hindi Diwas was celebrated on September 15, as September 14 was a holiday. The students were made aware of the importance of Hindi through an assembly speech that highlighted the significance of the language. The prayer was also conducted in Hindi. In classes from Std. 1 to 5, students sang Hindi geet, emphasizing the charm of the language and the regions where it is spoken. From Std. 6 onwards, students created posters, wrote slogans, learned vyakaran songs, and recited the varnamala. The children enjoyed the day with great enthusiasm."

ON 20TH SEPTEMBER, GRANDPARENTS' DAY WAS CELEBRATED WITH GREAT JOY AND ENTHUSIASM. THE PROGRAMME BEGAN WITH A SWEET SONG PRESENTED BY THE UKG CHILDREN, FOLLOWED BY A LIVELY DANCE PERFORMANCE BY THE LKG STUDENTS. THE HIGHLIGHT OF THE DAY WAS THE FUN-FILLED GAMES SPECIALLY ARRANGED FOR THE GRANDPARENTS, WHICH THEY ENJOYED WHOLEHEARTEDLY. THE EVENT CREATED BEAUTIFUL MEMORIES AND STRENGTHENED THE BOND BETWEEN THE LITTLE ONES AND THEIR LOVING GRANDPARENTS.

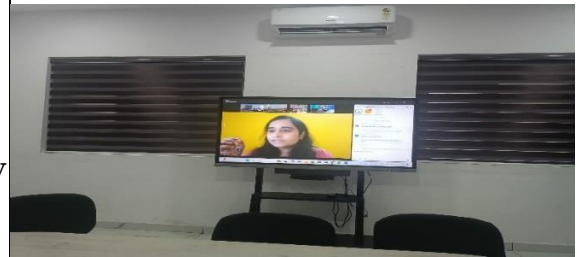

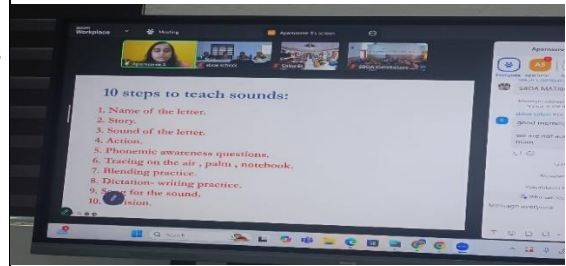

Our Kindergarten Sports Day Program was conducted on different days with great joy and enthusiasm. PRE KG children took part in Frog jump, Threading the beads, Musical chair and Running race. LKG children took part in Frog Jump and Filling the Bottle, running race and walking race, while UKG children enjoyed Sand Bag Balancing, Dragging the Ball, Running Race, and Picking the Ball. Both boys and girls participated actively, making the day exciting and memorable.

A Jolly Phonics session was conducted on 20th September by Ms. Aparnasree S for KG to Std 2 teachers . The session aimed at introducing the multi-sensory approach of Jolly Phonics, which helps children connect sounds with letters in an engaging and effective manner.

Ms. Aparnasree demonstrated the use of songs, actions, and stories to teach letter sounds, making the learning process enjoyable and memorable. The participants actively took part in the activities and gained practical ideas on how to implement phonics-based learning in classrooms.

The session was highly informative and interactive, providing valuable strategies to enhance early literacy skills

On 20th September, Mrs Sasikala and Mrs Joicy from Maths Department attended the workshop on the topic 'Reimagining Mathematics teaching from rote to reasoning, conducted by Bharati Bhavan Publishers and Distributors. Dr Venkata Padmanabhan was the resource person.

On 21st September our school received the MLA Best School Award from Mrs Uma Thomas at a function held in RSET Auditorium, Kakkanad. The program was attended by celebrity (Manju Warrior) and many other political officials.

SBOA Public (Sr. Sec) School, Ernakulam hosted an invigorating workshop on 23-9-25 on the subject creating a

“Happy Classroom” environment, led by renowned life coach and leadership trainer, Mr. Linto John. The engaging session was filled with captivating anecdotes that kept teachers enthralled throughout the morning.

He referred to the 5 spokes of life

Personal life

Family life

Professional life

Social life

And

Spiritual life

to convey the message that a perfect balance is what we all must strive for in our journey as teachers that will eventually bear fruit in the Happy Classroom that we shall then create.

A workshop on 21st Century Teaching and Learning Skills was conducted on 25th September by Mr. Jijo James. He is an international training consultant and teacher trainer. The session highlighted the importance of equipping students with critical thinking, creativity, communication, and collaboration skills to meet the demands of the modern world.

Mr. Jijo James emphasized the integration of technology in classrooms, innovative teaching strategies, and student-centered approaches that foster active learning. The workshop also provided practical insights and interactive activities, enabling teachers to reflect on their current practices and explore new methods to enhance student engagement.

Overall, the session was informative, thought-provoking, and beneficial in preparing teachers to nurture lifelong learners equipped with the skills required for the 21st century.
